Casino Royale and Quantum of Solace actor Giancarlo Giannini stars in a new film short by Caruso, directed by Emanuele Di Bacco.

'The Good Italian' presents the Italian lifestyle ethos of Caruso. Set in Soragna, a tiny town of 4,000 inhabitants in the lower Po river valley – where the brand's tailoring head quarters are based, a couple of English tourists discover a small tumbledown farmhouse which reveals the interior of a princely mansion and its inhabitant – a prince played by Giancarlo Giannini.
